

FallAID dataset: detailed list of simulated falls and activities of daily living

I. Simulated falls

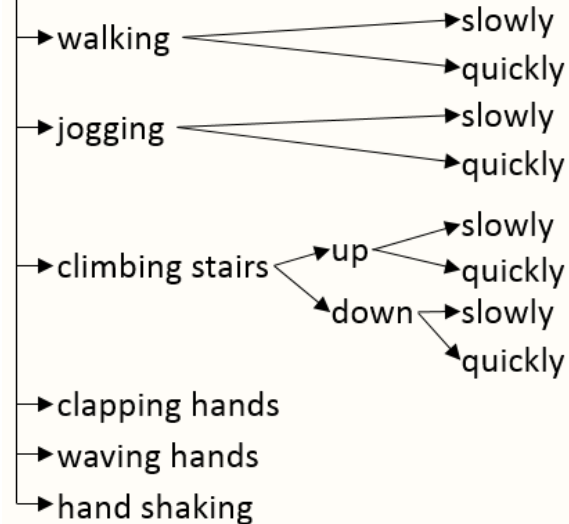

Activity ID	Pre-fall status	reason of fall	fall direction	with rotation	with recovery	Other conditions
101	walking	stumbling/tripping	forward	no	no	
102	walking	stumbling/tripping	forward	no	yes	
103	walking	slipping	forward	no	no	
104	walking	slipping	forward	no	yes	
105	walking	slipping	forward	yes	no	
106	walking	slipping	forward	yes	yes	
107	walking	slipping	backward	no	no	
108	walking	slipping	backward	no	yes	
109	walking	slipping	backward	yes	no	
110	walking	slipping	backward	yes	yes	
111	walking	fainting/syncope	backward	no	no	
112	walking	fainting/syncope	backward	no	no	
113	walking	fainting/syncope	lateral	no	no	
114	walking	fainting/syncope	forward	no	no	protection: putting hands on a table then falling down

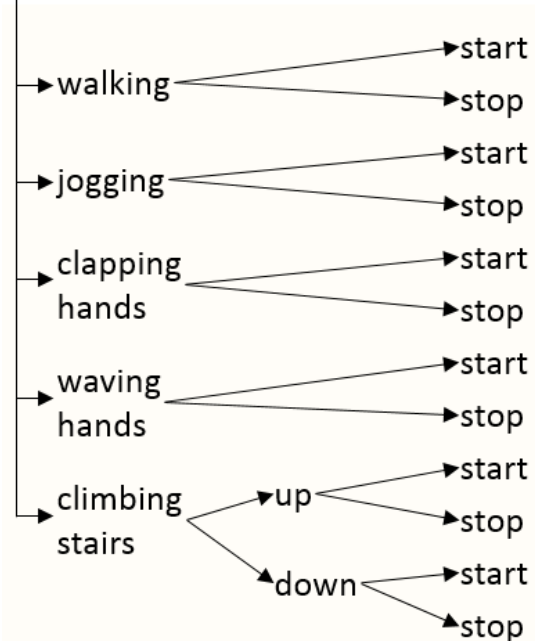

Activity ID	Pre-fall status	reason of fall	fall direction	with rotation	with recovery	Other conditions
115	attempting to sit/lie down	losing balance	forward	no	no	
116	attempting to sit/ lie down	losing balance	forward	no	yes	
117	attempting to sit/ lie down	losing balance	backward	no	no	
118	attempting to sit/ lie down	losing balance	backward	no	yes	
119	attempting to sit/ lie down	losing balance	lateral	no	no	
120	attempting to sit/ lie down	losing balance	lateral	no	yes	
121	jogging	stumbling/tripping	forward	no	no	
122	jogging	stumbling/tripping	forward	no	yes	
123	jogging	slipping	forward	no	no	
124	jogging	slipping	forward	no	yes	
125	jogging	slipping	forward	yes	no	
126	jogging	slipping	forward	yes	yes	
127	lying in bed	changing position/rotating	lateral	no	no	
128	lying in bed	changing position/rotating	lateral	no	yes	
129	sitting on a chair	fainting/syncope	forward	no	no	
130	sitting on a chair	fainting/syncope	backward	no	no	
131	sitting on a chair	fainting/syncope	lateral	no	no	
132	standing for a while	fainting/syncope	forward	no	no	
133	standing for a while	fainting/syncope	backward	no	no	
134	standing for a while	fainting/syncope	lateral	no	no	
135	standing for a while	fainting/syncope	vertical	no	no	protection: sliding down a wall slowly

II. Simulated Activities of Daily Living

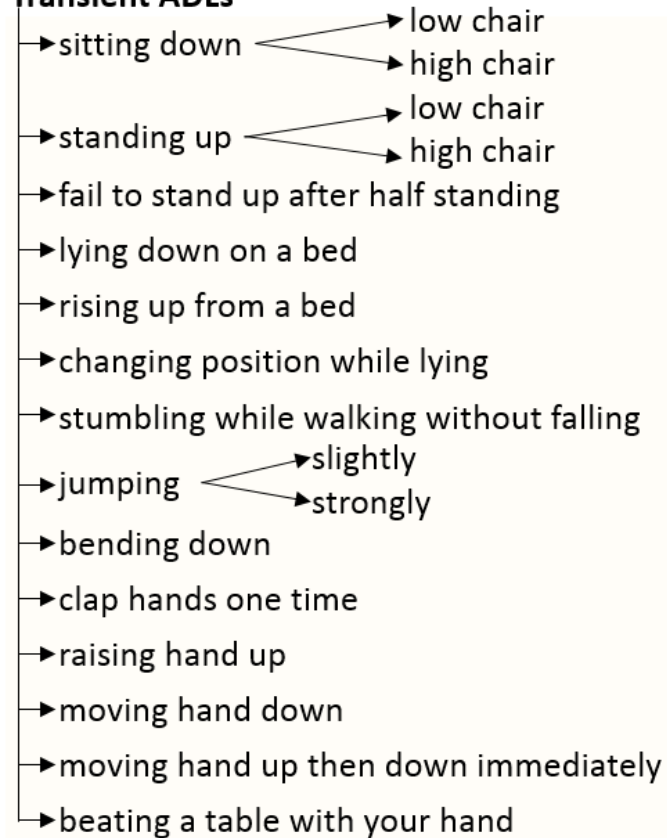

Cyclic ADLs

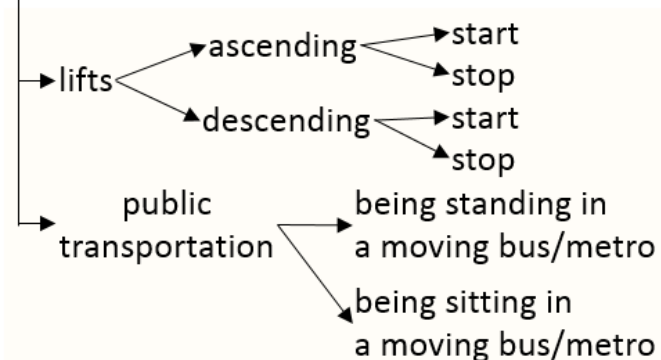

Transient phases of cyclic ADLs

Transient ADLs

Other ADLs

Activity ID	Description
1	start clapping hands
2	clapping hands
3	stop clapping hands
4	clap hands one time
5	start waving hands
6	waving hands
7	stop waving hands
8	raising hand up
9	moving hand down
10	moving hand up then down immediately
11	hand shaking
12	beating a table with your hand
13	sitting down
14	standing up
15	fail to stand up from a sofa/chair (after half standing)
16	lying down on a bed
17	changing position (turning) in the bed
18	rising up from a bed
19	start walking
20	walking slowly or in moderate speed
21	stop walking
22	walking quickly
23	stumbling while walking without falling
43	start jogging
24	jogging slowly
44	stop jogging
25	jogging quickly

Activity ID	Description
26	jumping slightly
27	jumping strongly
28	bending down (e.g. to pick something up from floor) and then raising up
29	start going upstairs
30	going upstairs
31	stop going upstairs
32	start going downstairs
33	going downstairs
34	stop going downstairs
35	going upstairs quickly
36	going downstairs quickly
37	start ascending using a lift
38	stop ascending using a lift
39	start descending using a lift
40	stop descending using a lift
41	standing in a moving bus/metro
42	sitting in a moving bus/metro
